Re: Amendment 2
RFP 27-VSW-SLA-001
Slana - First Service to 3 Homes & Dry Well Investigation
RFP Due Date: September 11, 2026 @ 2:00 PM AST

The following are vendor questions and the department's responses:

1. Vendor: What is the planned method of construction for the project?

Department: The department has not finalized the planned method of construction. The planned method of construction is depending on final design, estimated construction cost and the complexity of the work once design is complete.

2. Vendor: If it will be force account construction will the prime or subcontracted design firm be precluded from competing for the CM phase of the work?

Department: No, the prime design firm or subcontracted design firms would not be precluded from competing for the CM phase of work.
