Section 1 Grant Program Information

1.01 Introduction and Program Description

The Senior Residential Services (SRS) program provides funding to agencies that operate assisted living homes in remote communities where long-term care facilities and Pioneer Homes are not available. These homes serve seniors age 60 and older, and others who cannot live independently but can reside safely in a supervised setting with minimal assistance. Assisted living homes provide meals, housing, and help with daily activities such as bathing, dressing, transferring, and eating. By supporting these services in remote areas, the program helps elders remain close to their homes, families, and cultural connections rather than relocating to larger communities for care.

The Department of Health, Division of Senior and Disabilities Services, is requesting proposals from eligible applicants to provide Senior Residential Services for the State of Alaska in FY2027 through FY2029. Program Services are authorized under 7 AAC 78 Grant Programs. Additional governing statutes are AS 47.65 Service Programs for Older Alaskans; AS 47.33 and 7 AAC 75 Assisted Living Homes. State of Alaska statutes and regulations are accessible at [the Department of Law Document Library](#) or through the contact person identified on the cover page of this Request for Proposals (RFP).

1.02 Program Goals and Anticipated Outcomes

Goal

The goal of the Senior Residential Services program is to support Alaskan elders in their home communities with honor, dignity, security, and independence through the provision of an assisted living environment.

Outcomes

- Elders who reside in remote areas and need assistance will remain in their communities.
- SRS programs are financially sustainable.
- Residents receive quality services, are safe, have meaningful interactions with their communities and receive a plan of care that allows for individual preferences and included specific goals and outcomes.

The proposed project must demonstrate a thorough understanding and support of the grant program goals and outcomes anticipated by the Department.

Projects must meet or exceed anticipated minimum outcomes described in this RFP.

1.03 Program Services/Activities

Grantees awarded funding under the Senior Residential Services Program shall deliver comprehensive, person-centered services that support the health, safety, and independence of participating individuals. The following requirements establish minimum expectations for service delivery, care coordination, documentation, and program administration. Applicants must demonstrate the capacity to meet these requirements and maintain compliance with all applicable state, federal, and Medicaid Waiver regulations.

Client Access and Care Planning

- Screening and Admission procedures for determining eligibility and appropriateness for services, including prioritization criteria where applicable.
- Intake and Assessment -Comprehensive assessment of client needs, including physical, behavioral, social, and environmental factors.
- Plan of Care Development- Development of an individualized Plan of Care based on assessed needs, preferences, and goals.
- Implementation of Plan of Care- Timely initiation and delivery of services as outlined in the Plan of Care.
- Reassessment- Ongoing reassessment of client needs at regular intervals and upon significant change in condition.
- Discharge from Services- Clear criteria and procedures for discharge, including transition planning and coordination with other service providers.

Service Delivery

- Skilled Nursing Services- Provision of nursing services as required, including oversight of medical needs and coordination with healthcare providers.
- Medication Management- Safe administration, monitoring, and documentation of medications in compliance with applicable regulations.
- Personal Care- Assistance with activities of daily living, including bathing, dressing, grooming, and mobility.
- Nutrition and Meals- Provision of nutritionally adequate meals and support with dietary needs.
- Housekeeping- Maintenance of a safe and sanitary living environment.
- Activities- A variety of structured and unstructured activities that promote creative expression, mental stimulation, social engagement, and physical movement.
- Community Integration- Opportunities for community-based activities and social inclusion.
- Cultural Competency and Access- Respect for cultural values, traditions, and preferences as well as access
- Assistance with accessing transportation and community resources

Monitoring, Documentation, and Compliance

- Client Monitoring-Defined methods, frequency, and scope of monitoring to ensure health, safety, and well-being of participants.
- Client Records and Documentation- Organization and maintenance of complete and accurate client records, including documentation of all services provided.
- Incident Reporting and Resolution- Established processes for reporting, documenting, and resolving incidents, including timelines and corrective actions.
- Consumer Complaint Process- Accessible and responsive procedures for receiving, documenting, and resolving client complaints.
- Medicaid Provider - Maintenance of approval to provide and bill for Residential Supported Living services under the Medicaid Waiver, including compliance with all applicable standards.
- Care Coordination and Communication- Collaboration with healthcare providers, case managers, and care coordinators

Applicant must also complete and submit with application a Planned Services form on the prescribed template which outlines the number of residents the applicant plans to provide services to in FY27. The document should describe outreach services that will be conducted in an effort to increase the number of residents served, describe activities that will be implemented to improve services in the upcoming year, and provide information regarding Medicaid provider and billing status.

Applicants will upload a timeline for the initiation of services and project activities to begin July 1, 2026.

Applicant proposals must describe the ways in which the project aligns with program intent. The submitted project proposal will identify agency resources available to the project; describe project activities; and clearly state the project's anticipated goals, outputs, and outcomes.

1.04 Program Evaluation Requirements and Reporting

Projects are required to align with program objectives expressing Department priorities and core services. Projects will use performance measures to evaluate progress toward meaningful outcomes, and to initiate data collection and reporting consistent with Department priorities.

The Department Priorities, Core Services, Objectives, and Performance Measures of Effectiveness and Efficiency for this program are:

Department Priorities

1 Health & Wellness Across the Life Span

Department Core Services

1.2 Provide Quality of Life in a Safe Living Environment for Alaskans

Department Objectives

Increase the number of Older Alaskans Who are living Safely in Their Communities

Effectiveness Performance Measures

- Number of recipients who are able to remain in their communities and receive Senior Residential Services
- Number of recipients who qualify for Medicaid Waiver Services and receive Senior Residential Services
- Number of recipients who are satisfied with services (Target 80% or better)

Efficiency Performance Measures

- Average cost per individual to provide Senior Residential Services
- Increase ratio of Medicaid vs non-Medicaid revenues
- Increase satisfaction with services

The revised Federal Uniform Guidance 2 CFR 200 now requires that the State inform potential sub-recipients via our solicitation and resulting grant awards of all performance measures included in our Federal Award. The applicant's proposed evaluation plan will incorporate the performance measures of effectiveness and efficiency identified above. Applicants can propose additional performance measures for evaluating the project's progress in achieving results supportive of program goals and outcomes.

Grant Reporting

Required reporting will include:

- Quarterly Cumulative Fiscal Reports recording overall grant and match expenditures by budget line;
- Program Reports are in the format prescribed by the program including:
 - Quarterly Service Delivery Report
 - Biannual Narrative Report due at the times of Q2 and Q4

- Annual Performance Measures Framework including data from Annual Consumer Survey due at the time of Q4
- Cumulative Detailed Expenditure Report verifying amounts reported in Cumulative Fiscal Reports due at the times of Q2 and Q4.
- Grantee will be required to submit consumer demographic information and service delivery data for program recipients into the division's Aging and Disability Data Management System (GetCare).

1.05 Target Population and Service Area

Applicants must clearly describe the population targeted by the project, including the area or communities that will be served. Proposals will be evaluated for compatibility with the program's intended target population identified in this solicitation.

Target Population:

- Seniors 60+ who experience disability, at risk for institutionalization, are frail, elderly, or who have been diagnosed with Alzheimer's Disease or Related Disorders (ADRD),
- Adults with ADRD under 60, and
- Adults 18 and over with a physical disability who are not able to live independently.

Service Areas and Communities: This program is intended to serve geographical gaps in Alaska where the target population has no access to a residential care facility meaning local residents would need to travel over 50 miles to a Pioneer's Home. Potential grantee service providers who receive funds through this program must use the funds to operate in a region of the state that is identified as 'remote' in accordance with the [Alaska Commission on Aging's \(ACOA\) Alaska Plan for Senior Services](#) definition of remote areas lacking services (pg. 69). Please review ACOA's Plan here prior to applying. This RFP is soliciting applicants from the Interior Region (Region 2) of Alaska.

1.06 Program Funding

Funds available for this program are anticipated to total \$205,000 State General Funds in FY2027. \$615,000 for a 33-month program FY27 through FY29. The division will administer one award under this solicitation. Current grantees are not eligible for an award under this solicitation.

Match Requirement: The budget must include matching funds equal to 10.00% of the proposed Department funds. Calculate required match with the following formula.

Total Requested Grant Award x Required Match Percentage = Required Match

Federal grant funds may not be used to match federal funds awarded through this grant program, and State grant funds may not be used to match State funds awarded through this grant program.

Eligible sources of matching funds include:

- Local Cash: local sources, including local tax receipts, municipal revenue sharing, cash donations
- Local In-Kind: donated items of value for which the applicant incurs no cost, including volunteer labor and donations of supplies, equipment, space
- Other Sources: government and non-government grant awards, third party receipts, direct receipts such as gaming or sales of goods
- Grant Income: earnings anticipated as a result of this project proposal receiving award, and Medicaid

reimbursements if award of this grant is required for the applicant to bill Medicaid for awarded services

- Medicaid: includes Medicaid, which is not Grant Income, as well as other third-party receipts

Proposed Budget: The applicant must submit a budget proposal for the first fiscal year of the project. The proposed budget detail and narrative, including required match, will support the program's results-based service delivery and staffing requirements stated in this RFP.

The proposed budget will be fully compliant with the limitations described in this RFP, and those detailed in 7 AAC 78.160 (Costs). Regulations are provided under the GEMS Documents tab.

Resources specific to budgeting are also available under the GEMS Documents tab. The Department's Grant Budget Preparation Guidelines provide information and guidance about budget lines, cost detail groupings, and narrative requirements. Grantee User Manual Part I provides detailed instructions for entering a budget proposal in the chapter "Responding to a Solicitation."

Other Agency Funding: Prior to submitting a proposal, applicants are required to list all other agency funding received and applied for. This task must be completed by an Agency Power User in the Other Funding section of the Agency Administration tab. This is part of the pre-award risk assessment required under Uniform Guidance 2 CFR 200.

Indirect Costs: If the proposed budget includes indirect costs, 7 AAC 78.160(p) requires a copy of the agency's current federally approved Indirect Cost Rate Agreement. The agreement is to be uploaded in the Agency Administration tab. Lapsed agreements can be used if uploaded with the negotiating federal agency's written approval to continue using the rate until a new agreement is negotiated. If an agency has never entered into a federally approved Indirect Cost Rate Agreement or no longer has a federally approved agreement in place, the recently updated Federal Uniform Guidance 2 CFR 200 now allows that agency to budget the 15% De Minimis.

Payment for Services/Grant Income: If applicable to the services proposed in response to this solicitation, awarded grantees will have a Medicaid Provider Number or apply to obtain one, and will make reasonable effort to bill all eligible services to Medicaid and any other available sources of payment before seeking grant support for delivery of the proposed services. Department funds are the payer of last resort.

In the applicant's proposed budget, anticipated receipts and expenditures for all grant income must be evident in the detail and narrative. Fiscal reports for awarded income generating projects will include the receipts and expenditure of all grant income.

Section 2 Applicant Qualifications

2.01 Agency Experience

Proposal evaluation will include consideration of the applicant's history of compliance with service and grant requirements, and previous experience in providing the same or similar services. Evaluation may include Department site reviews, program audits, and confirmation of the successful resolution of any findings. This is part of the pre-award risk assessment required under Uniform Guidance 2 CFR 200.

The applicant must describe previous experience providing services the same or similar to those proposed as well as the current status of the Home's residential license. The description must clearly identify the time period over which services were provided and the target population served.

2.02 Project Staffing

Project staffing must be sufficient to implement the proposed activities to meet program goals and the anticipated outcomes. Resumes, professional credentials and position descriptions for key project personnel must be uploaded as part of the response. This is part of the pre-award risk assessment required under Uniform Guidance 2 CFR 200.

Staffing requirements are outlined in AS 47.33 and 7 AAC 75 Assisted Living Homes.

2.03 Administrative, Management, and Facility Requirements

The applicant must demonstrate the agency's sustainable fiscal and administrative capacity. Executive, administrative, and financial staff must be qualified, as indicated by the resumes of position holders uploaded as an element of the proposal. This is part of the pre-award risk assessment required under Uniform Guidance 2 CFR 200.

1. The applicant must ensure procedures are in place to protect client confidentiality compliant with State and federal standards.
2. The applicant must ensure its most recent financial audit was submitted to the appropriate state office (see Audit Requirements below), and any findings identified have been resolved.
3. The agency must maintain State of Alaska Assisted Living licensure throughout the duration of the grant.

Awarded proposers will be required to submit additional agency information if the agency GEMS record is not current.

Audit Requirements:

Federal Requirements: Agencies spending \$1,000,000 or more total Federal Financial Assistance in the agency fiscal year may be required to comply with conditions of the Single Audit Act of 1984, P.L. 98-502, as amended by the Single Audit Act Amendments of 1996, P.L. 104-156, and as defined in 2 CFR 200.

State Requirements: Agencies spending \$750,000 or more total State Financial Assistance in the agency fiscal year are required to comply with the conditions of 2 AAC 45.010-090. The current regulations may be viewed at the State of Alaska, Department of Law website, [Department of Law Document Library](#), or copies may be obtained from the contact identified on the cover page of the RFP.

Information on State and Federal Single Audit Acts compliance may be obtained from:

State Single Audit Coordinator
Department of Administration
Division of Finance
PO Box 110204
Juneau, AK 99811-0204
Telephone: (907) 465-4666
Fax: (907) 465-2169

Department of Health Program Audit Requirements: All DHSS grantees are subject to the requirements of 7 AAC 78.230. If awarded, agencies which are not required to file State Single Audits under 2 AAC 45.010 must ensure a fiscal audit of the agency operations under the grant program is performed by an independent, licensed, certified public accountant at least once every two years and submitted to:

State of Alaska Department of Health and Social Services

Finance and Management Services
Audit Section
PO Box 110602
Juneau, AK 99811-0602
Telephone: (907) 465-3120

Facility, Service Access, and Safety:

1. The applicant must address potential safety concerns for clients and staff in the management of services proposed in response to this RFP.
2. The applicant should describe client accessibility to services and the way in which that will enhance project success.
3. All applicants for Department grants should have a written plan for emergency response and recovery that provides for potential safety concerns and the safe evacuation of clients and staff. This plan is mandatory for agencies providing residential and/or critical care services as noted in the State Grant Assurances.

2.04 Support/Coordination of Services

Applicants must demonstrate the proposed project has the necessary support and coordination for the successful delivery of services. The proposal must address the following:

1. Community support where services are proposed;
2. Partnerships and collaborations specific to the proposed project; and
3. Coordination with necessary referring agencies and the role of each described.

Section 3 General Instructions for Proposal Submission

3.01 Eligibility

Applicants must be eligible to apply under 7 AAC 78.030 (Eligible Applicants). Eligible applicants are state agencies; political subdivisions of the state such as cities, organized boroughs, and Regional Educational Attendance Areas; nonprofit organizations and consortia of nonprofits; and Alaska Native entities. As follows, eligibility will be verified by Grants and Contracts.

1. Political subdivisions of the state and Regional Educational Attendance Areas will be verified by State records.
2. Eligible nonprofits are listed in the State's database of registered nonprofit entities or the US Internal Revenue Service's register of tax-exempt organizations. Nonprofit subsidiaries of nonprofit corporations must also provide a letter from the parent organization confirming nonprofit status.
3. Alaska Native entities as defined in 7 AAC 78.950(1) must submit, with the application, a legally binding resolution waiving the entity's sovereign immunity to suit through the duration of the program, identified in RFP Subsection 3.05. The resolution must be authorized in compliance with the tribe's constitution, either by the tribal council or by majority vote of the tribal membership. The required template is provided at Subsection 4.02, Other Technical Requirements.

Applicant agency GEMS records must contain the agency's current State of Alaska Business License number, and a current governing board roster which includes titles, contact information, and terms of office for each seat. The roster must include emergency contact information outside the applicant agency for one or more officers.

Grants and Contracts will verify neither the applicant agency nor its principals are presently debarred, suspended,

proposed for debarment, declared ineligible, or voluntarily excluded from receiving grant assistance from any State or federal department or agency. If an agency or its principals are excluded from receiving grant assistance, the proposal may not be considered.

Applicants who have had a contract or grant to help produce this RFP are not eligible to apply and any submitted proposal will not be considered.

3.02 Acceptance of Terms

By submitting a proposal, an applicant accepts all terms and conditions of this RFP including all identified attachments and guidelines, 7 AAC 78, and any other applicable statutes and regulations. Copies of these may be accessed through the contact person identified on the cover page or through the web address(es) identified in this RFP.

If a grant is awarded, this RFP and the applicant's proposal become part of the grant agreement. The applicant will be bound by the provisions contained in the awarded proposal unless the Department agrees that specific parts of the proposal are not part of the agreement.

Proposals and other materials submitted in response to this RFP become the property of the State and may be returned only if the State allows. Proposals are public documents and may be inspected or copied by anyone after grants have been awarded.

3.03 Inquiries

Applicants should immediately review this RFP for defects and questionable or confusing content. Questions that can be answered by directing the applicant to a specific section in the RFP may be answered verbally by the contact person identified on the RFP cover page. Questions that cannot be answered by directing an applicant to a specific section of the RFP may be declared substantive. The applicant will be directed to submit the question in writing to the contact person at the email address on the cover page no later than the Deadline for Written Inquiries, also identified on the cover page. This will allow issuance of any necessary amendments and/or clarifications to all prospective applicants.

Applicants are responsible for monitoring GEMS or the State's Online Public Notices website ([Online Public Notices](#)) for any clarifications or amendments that may be issued regarding this solicitation.

Proposals will not be accepted after 3:59 PM prevailing local time on the due date identified on the cover page.

3.04 Proposal Costs and Content

The Department will not be responsible for any expenses incurred by the applicant prior to the authorized grant performance period. All costs of responding to this RFP are the responsibility of the applicant.

The applicant is responsible for the content of the proposal.

3.05 Duration

This RFP is for a thirty-three month, beginning 10/1/2026 through 6/30/2029. At the discretion of the Department,

a project funded under this RFP may be considered for continued funding in subsequent program year(s). The annual decision to continue funding for the subsequent year(s) of the three-year grant cycle is based on the following general conditions:

1. the Department's judgment that there is a continued need for the grant project service;
2. the grantee's satisfactory performance during the previous grant year;
3. the availability of sufficient grant program funds, and whether continuation of the financing is consistent with public health and welfare; and
4. the ability of the grantee and the Department to agree on any adjustments in payments or service.

Applicants will submit a budget proposal for year one of the grant only. Funding in each subsequent year will require submission and approval of documents needed to update service plans, evaluation measures, and budgets. Grants and Contracts will notify grantees of specific submission requirements necessary to qualify for consideration of continued funding.

3.06 Proposal Review

Following the deadline for receipt of proposals, no revisions will be accepted unless provided in response to a request from the contact person named in this RFP. Proposals will be reviewed as follows:

1. Proposals will be evaluated in a manner that will avoid disclosure of contents before notices of grant award have been issued.
2. Department of Health staff will evaluate each proposal for minimum responsiveness and other technical requirements and eliminate nonresponsive proposals from consideration.
3. Using the criteria set out in this RFP and 7 AAC 78.100 (Criteria for Review of Proposals), Department staff will evaluate each responsive proposal. **Scores for each criterion will be based solely on the response to the associated question. Points will not be earned if the information was provided in response to another question in Section 4.** Department staff will also review relevant departmental documentation regarding the applicant. Staff recommendations regarding awards and levels of funding will include consideration of the following:
 - i. a history of the applicant's compliance with grant requirements, to include records of program performance, on-site program reviews, and prior year audits;
 - ii. priorities in applicable State health and social services plans;
 - iii. requirements of applicable State and federal statutes; and
 - iv. municipal ordinances or regulations applicable to the grant program.

If there are multiple responsive proposals for which there is insufficient money to fully fund, or supplementary expertise is deemed necessary to the review of proposed services, the Department may appoint a Proposal Evaluation Committee (PEC) as an additional advisory body. PEC members will initially evaluate proposals, independently of other committee members. As a committee the PEC will meet in a **closed session** (7 AAC 78.090 Review of Proposals) to further review proposals and develop recommendations. Scores will be assigned based on the applicant's response to each individual question and the associated criteria. **Applicants will not earn points for a given question based on a response to another question in the RFP.** The PEC review will include discussion of each proposal's merits. PEC recommendations will rank proposals in priority order and include approval or disapproval for award, modifications to the proposed project, and special compliance conditions.

All staff advisory recommendations and, if applicable, those of the PEC, and all review materials will be submitted for consideration by the Division Director, who will make recommendations to the Commissioner of the

Department of Health or the Commissioner's designee.

3.07 Final Decision Authority

Recommendations are advisory only, including those from any PEC that may be held. The final decision to approve or disapprove award, the amount of each award, and whether to impose special conditions or modifications rests with the Commissioner or Commissioner's designee.

NOTE: The final decision may include additional considerations, such as a lack or duplication of services in certain locations, or alternative services that may be available; a critical need for services by vulnerable populations; and matters of health, life and safety. The Department has the responsibility to ensure public monies are utilized in a manner that protects the interests of the people of the State and retains the right to make final awards that ensure responsible distribution of grant funds.

3.08 Notification of Grant Award and Appeals

Within fifteen (15) days after the decision regarding grant awards, applicants will be notified of the final funding decisions, and, if awarded, any conditions of award or modifications. Following any necessary negotiations for revisions to the proposed budget and scope of services, successful applicants will be issued a grant agreement. This formal agreement will contain specific performance and reporting requirements consistent with Department policy and procedure and 7 AAC 78.

Per 7 AAC 78.305 (Request for Appeal), an applicant may appeal a final grant award decision. Requests for hearing must be addressed to the Commissioner and received in writing at the address below within 15 days after the applicant receives notification of the decision. The request must contain the reasons for the appeal and must cite the law, regulation, or terms of the grant upon which the appeal is based.

With a copy to the contact identified on the solicitation cover page, send appeal to:

Heidi Hedberg, Commissioner
Department of Health
3601 C Street, Suite 902
Anchorage, Alaska 99503-5923

3.09 Cancellation of the RFP/Termination of Award

Contingent upon funding appropriations and the Governor's approval, the Department may fund proposals from eligible applicants. The Department may withdraw this RFP at any time and reserves the right to refrain from making an award when such action is deemed to be in the best interest of the State. Funds awarded for a grant as a result of this RFP may be withheld and the grant terminated by written notice from the State to the grantee at any time for violation by the grantee of any terms or conditions of the grant award, or when such action is deemed to be in the best interest of the State.

Section 4 Submission Requirements/Evaluation Criteria

4.01 Minimum Responsiveness Criterion per 78.100(2)(A)
