Re: Amendment 3
RFP 27-VSW-SLA-001
Slana - First Service to 3 Homes & Dry Well Investigation
RFP Due Date: September 15, 2026 @ 2:00 PM AST

The following are vendor questions and the department's responses:

1. Vendor: Are bathrooms, or other interior plumbing, include in the design scope?
The 2016 project included bathrooms, and the 2024 technical memo mentions indoor plumbing, but the RFP does not mention it in Article B2.

Department: Yes, bathrooms are included in the design scope. The Department shall issue a follow-up amendment addressing Article B2 Scope of Service.

2. Vendor: If interior plumbing is included, we request the submittal deadline be moved to Tuesday, September 15 to allow for proposal rework.

Department: The RFP due date is extended from 9/11/2026 to 9/15/2026 @ 2:00 PM AST.
