Changes to the IRFP:

Change 1: The offeror must ensure that their proposal meets all special formatting requirements identified in this section.

Documents and Text: All attachment documents must be written in the English language, be single sided, and be single spaced with a minimum font size of 10. Pictures or graphics may be used if the offeror feels it is necessary to communicate their information, however, be aware of the below requirements for page limits.

Page Limits: Some qualifications criteria listed below have maximum page limit requirements. Offerors must not exceed the maximum page limits. Note, the page limit applies to the front side of a page only (for example, '1 Page' implies that the offeror can only provide a response on one side of a piece of paper). Any pages exceeding the maximum page limit will be discarded and will not be included in the evaluations (for example, the maximum page limit is 3 pages, but the Offeror submits 5 pages for that section. Only pages 1-3 will be evaluated. Pages 4 and 5 would be discarded by the Procurement Officer before sending to the proposal evaluation committee for evaluation.).

Qualifications Criteria	Maximum Page Limits
Section 5.01 Understanding of the Project	5
Section 5.02 Methodology Used for the Project	5
Section 5.03 Management Plan for the Project	5
Section 5.04 Experience and Qualifications	5
Attachment 1 – Cost Proposal	

Offerors must provide resumes for those personnel with names and title that will be assigned to complete the project as a separate attachment to Section 5.04 Experience and Qualifications.

Any document submitted as part of a proposal that is not compliant with the instructions above may be a basis for finding the proposal non-responsive and thus rejected.
