

Wil Maamxsga Pts'aan Park *Phase III*

We need your feedback!

The Metlakatla Indian Community is applying to the Alaska Department of Transportation & Public Facilities through the Recreational Trails Program for funds to improve the skate park portion of the Wil Maamxsga Pts'aan Park in Metlakatla, Alaska (see map).

This will include expanding the current skate park foundation, add a roof and seating. These additions will include traditional artwork designs.

If there are any questions or you would like to submit a comment you can email invasivespecies@metlakatla.com or call 907-886-1560 before October 30, 2026.
