Amendment #3

September 25, 2026

This amendment is being issued to correct errors contained in Amendment #2. Amendment #1 properly addressed the requested log records; however, Amendment #2 incorrectly stated that the question received was also regarding log records. The actual question concerned flexibility regarding the start date for the performance of work, and the corrected response is provided herein

Furthermore, the bid due date is hereby extended to September 30, 2026, at 12:00 p.m. Alaska Time. Offerors must ensure their bids are received by the new deadline to be considered responsive.

Important Note to Offerors: You must sign and return this page of the amendment document with your bid. Failure to do so may result in the rejection of your bid. Only the ITB terms and conditions referenced in this amendment are being changed. All other terms and conditions of the ITB remain the same.
