RE: **Project Name:** 49000 Armory-ARMAG Weapons Cleaning Foundation Project
Project Number: 02A8026013
Project Location: JBER, Alaska

Addendum # One (1)

This addendum forms a part of the contract documents and modifies the original drawings and/or specifications for the subject work. In case of conflicts between this addendum and previously issued documents, this addendum shall take precedence.

The following Questions and Answers for this project:

1. Q. Please confirm that each ARMAG will receive a separate 100A feed?
   A. Yes, 100 Amp service connection to each ARMAG unit.
2. Q. Are there any communications requirements for these ARMAGs?
   A. No.
3. Q. Are there any security/IDC requirements for these ARMAGs?
   A. No.
4. Q. Are there any fire alarm requirements for these ARMAGs?
   A. No.
5. Q. Where are we to meet for the site visit?
   A. Rear gate entrance parking lot at the back of building 49000. I have attached a map with directions to the meeting location behind building 49000.

Please contact me if you have any questions.
Sincerely
Jonathan Comfort
