Re: Approval and Submission of Regulations for Filing

Optometrist Tasks (Implementing HB 309)
Our file: 2024200563

Dear Lieutenant Governor Dahlstrom:

Pursuant to AS 44.62.060, the Department of Law has reviewed the enclosed regulations adopted by the Department of Commerce, Community and Economic Development, permitting licensed optometrists to delegate routine services to an agent of the optometrist if certain conditions are met. The regulations also detail when and to whom a service may be delegated and limit the types of services that may be delegated.

Our review examined each regulation for legality, existence of statutory authority, clarity, compliance with the *Drafting Manual for Administrative Regulations*, and conformance with the procedural requirements of AS 44.62.010 - 44.62.290.

Based upon this review, the Department of Law approves each regulation as to form and legality. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to accept the regulations for filing.

We hereby submit the regulations to you for filing under AS 44.62.040 on behalf of the Department of Commerce, Community and Economic Development.

To: Hon. Nancy Dahlstrom, Lieutenant Governor
