Ted Stevens International Airport Part 150 Noise Compatibility Study

Project No. CFAPT01221 / AIP 3-02-0016-236-2024

The Ted Stevens Anchorage International Airport (ANC) is conducting a Part 150 Airport Noise Compatibility Study to **identify and evaluate current and future noise effects** associated with aircraft operations at ANC. The goal of the study is to **reduce the number of people affected by aircraft noise.**

ANC will hold a project open house on November 18, 2026 from 4:30PM – 6:30PM at the Coast Inn at Lake Hood. Stop by to learn about the study purpose and process, share your thoughts, and ask questions of the study team. Anyone is welcome to attend.
