Answer Questions from Potential Offerors:

Question: "The RFP mentions a submission via the IRIS Vendor Self-Service (VSS), however I'm unable to locate the solicitation in the VSS vendor portal. Was this submission option listed in error?"

Answer: Submission through IRIS is not an option and this was included in error. Electronic submissions must be sent to the email: dotstatewideprocurement@alaska.gov following the requirements listed in **Sec 1.07**

Question: "Can you please confirm if we must include Attachment #3 Standard Contract Form & Appendix A with our submission?

Answer: The Contract form does not need to be filled out. We just require that the proposal includes a statement of agreement with the terms and conditions of Appendix A that are listed with it in Attachment #3.
