

Moose Management Workshop

Public Forum

Delta Community Center - Delta Junction

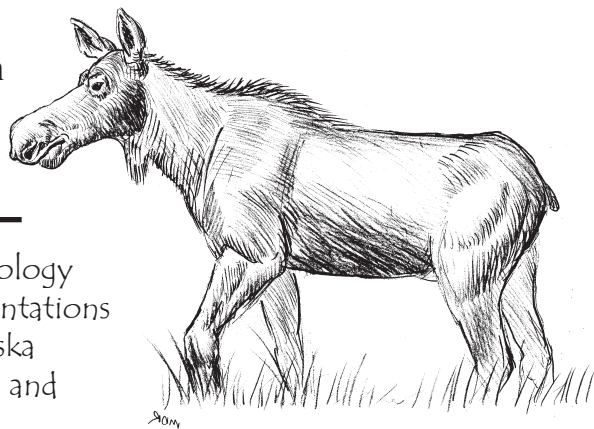

Saturday, February 7, 2009

9:00 am – 3:00 pm

Why do we hunt cows? Come learn about moose biology and management in a day full of informative presentations and discussions. Biologists and managers from Alaska Department of Fish and Game will present research and strategies for managing the moose in your area.

Topics include:

- ◊ Antlerless Moose Hunts
- ◊ Intensive Management, Habitat and Fire
- ◊ How are Moose Counted?
- ◊ Moose Foods and Nutrition
- ◊ Moose Distribution and Movements
- ◊ What and How Much do Moose Eat?
- ◊ More
