

ADF&G KETCHIKAN ADVISORY COMMITTEE REGULAR MEETING:

The Ketchikan Advisory Committee will be meeting to discuss the upcoming fish issues to be dealt with by the Board this cycle year for Southeast Alaska. They will start with Southeast Shellfish issues and then move on to the Southeast Finfish Issues. Anyone interested in these issues is highly encouraged to attend.

The Ketchikan Advisory Committee (KTN AC) is a collection of community members from all user groups that come together and discuss fish and game issues and recommend changes to current regulations. They also represent their community before the Board of Fisheries and the Board of Game at board meetings. All meetings are open to the public and public comment is welcome.
