THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: June 24, 2013

RFP TITLE: INVESTIATOR SERVICES FOR THE OFFICE OF PUBLIC ADVOCACY (OPA)

IMPORTANT NOTE TO OFFERORS: Only the following items/sections referenced in this amendment are to be changed. All other terms and conditions of the original Request for Proposals remain the same. This amendment is being issued to clarify the following response.

Section 5.01.04 – the following language is being added:

The investigator needs to have an office of some type in their home base (or be located there) – i.e., Anchorage/Mat-Su = Anchorage or Mat-Su, Juneau and Fairbanks. Travel within 55 miles of their home base will not qualify for reimbursement of mileage or parking. However, travel outside of the 55-mile radius will qualify for reimbursement of mileage and parking at the state reimbursement rate.

There is no requirement for an Offeror to have a home base of operations in any of the areas they choose to submit a proposal. However, if you do not have a home base within any of the listed areas of service you will not be reimbursed for travel from your home location to the area of service. In addition, the starting point for mileage or parking outside of the home base will be from the OPA main office in that area.

A copy of this amendment is being transmitted directly to registered vendors and is also available on the State's Online Public Notice website.
