

MEMORANDUM

Office of the Lieutenant Governor

DATE: February 28, 2014

SUBJECT: Revision to the Alaska
Administrative Code (AAC):
assignment of 7 AAC 165 and
7 AAC 166 to new Part 9

In accordance with the authority of the regulations attorney under AS 44.62.125(b), please forward to the publisher the revision to the Alaska Administrative Code (AAC) described below. I have forwarded this correction under a specific delegation dated March 5, 1999 from the regulations attorney. This revision groups two chapters of regulations under a new part, as an aid to the reader.

The chapters in the AAC that are to be grouped under a new part are the following: 7 AAC 165, a chapter already in print; and 7 AAC 166, a chapter of regulations that were filed on February 20, 2014, with an expected effective date of March 22, 2014, and that are expected to appear in print in Register 209 (April 2014). Please have the publisher assign these chapters to a new Part 9. The catch line for Part 9 is to read as follows: **"Part 9. Medicaid Electronic Health Record Incentive Program; Electronic Health Care Information Exchanges."**

Also, please have the publisher print a chapter listing for new Part 9, and remove the existing published listing for 7 AAC 165 from Part 8. The existing published listing for 7 AAC 165 appears only in the supplement pamphlet, not in the main pamphlet (Register 193 (April 2010)); so the publisher should be able to move 7 AAC 165 from Part 8 to new Part 9 with only a change in the supplement pamphlets.

Finally, please have the publisher add new Part 9 to the part listing at the beginning of Title 7 of AAC.

Thank you for your assistance, and please contact me if you have additional questions.
