**RFP #0614-075**  
**Alaska Medicaid Coordinated Initiative**

**Amendment #8**

**Amendment Issue Date: April 23, 2014**

**Please alter the following language to match the amendment.**

**IMPORTANT NOTE TO OFFERORS:** Only the following items referenced in this amendment are to be changed. All other sections of the RFP remain the same. A copy of the amendment is available on the State's Online Public Notice website.

Item 1 **Section 1.01 should now read**, "Proposals must be received no later 4:00 P.M., Alaska Time on June 3, 2014.

- 1. Question:** In Section 5.08, page 50 of the RFP, there seems to be conflicting statements as to whether acceptable reporting formats must exactly match those provided in the Vendor Report Templates ("must comply with State specifications") or whether alternative layouts are acceptable as long as the required data is provided ("present ... reporting conceptual equivalency of the Vendor's solution"). Please clarify whether alternative report formats are acceptable.

**Answer:** Vendors must comply with State of Alaska requirements. Vendors may submit reporting conceptual equivalencies within their proposal, which the State of Alaska will consider and evaluate. During negotiations, reporting specifications and formats will be finalized.
