

The Alaska Sustainable Salmon Fund (AKSSF) is convening its regional Science Panels and Statewide Expert Panel to assist in development of a call for proposals (CFP) planned for spring/summer 2015 (funding and dates to be determined).

The panels will recommend high priority objectives and strategic focus statements for inclusion in the CFP. Panel meetings are open to the public; if you plan to attend, please contact Terry Tavel (theresa.tavel@alaska.gov or 907-465-6117) at least five days prior to the meeting to ensure we have sufficient seating and materials available. Please note that the meeting dates and/or locations (provided below) are subject to change based upon the expected number of attendees.
