

Notice of Utility Tariff Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Golden Valley Electric Association, Inc. (GVEA) filed tariff revision TA261-13 seeking to revise its Cost of Power Adjustment (COPA) clause. Specific revisions include renaming the adjustment clause from Cost of Power Adjustment to Fuel and Purchased Power Adjustment, relocating language to a new tariff sheet, and revising the filing schedule for the COPA from 45 days after each quarter year to two months after the end of the quarter (i.e. by the end of February for the quarter ending December 31). Renaming the adjustment clause will not result in a change to the formula by which GVEA calculates its COPA.
