SUBJECT: Corrections to the Alaska
Administrative Code (AAC):
15 AAC 151.850 - 15 AAC
155.870; 15 AAC 151.950(e)

In accordance with the authority of the regulations attorney under AS 44.62.125(b), please forward to the publisher the corrections to the Alaska Administrative Code (AAC) described below. I have forwarded these corrections under a specific delegation dated May 2, 2014 from the regulations attorney. These revisions add editor's notes to alert the reader of the delayed printing of certain regulations changes.

On January 9, 2013, the Alaska Housing Finance Corporation adopted 15 AAC 151.850 - 15 AAC 151.870 (mortgage facilitator program) and made a conforming amendment to 15 AAC 151.950(e). Those regulations changes are not subject to AS 44.62 (Administrative Procedure Act), and took effect immediately upon adoption as provided under AS 18.56.088. Though the regulations changes were adopted and took effect on January 9, 2013, the first register of the Alaska Administrative Code in which they will appear in print is Register 213 (April 2015). Accordingly, we are forwarding to the publisher new editor's notes and revisions to existing editor's notes to alert the reader to the publication delay, as follows:

1. After 15 AAC 151.850, please insert an editor's note to read as follows:

Editor's note: Even though 15 AAC 151.850 was adopted and effective 1/9/2013, it was not published until Register 213, April 2015.

2. After 15 AAC 151.855, please insert an editor's note to read as follows:

Editor's note: Even though 15 AAC 151.855 was adopted and effective 1/9/2013, it was not published until Register 213, April 2015.

3. After 15 AAC 151.860, please insert an editor's note to read as follows:

Editor's note: Even though 15 AAC 151.860 was adopted and effective 1/9/2013, it was not published until Register 213, April 2015.

4. After 15 AAC 151.865, please insert an editor's note to read as follows:

Editor's note: Even though 15 AAC 151.865 was adopted and effective 1/9/2013, it was not published until Register 213, April 2015.

5. After 15 AAC 151.870, please insert an editor's note to read as follows:

Editor's note: Even though 15 AAC 151.870 was adopted and effective 1/9/2013, it was not published until Register 213, April 2015.

6. At the end of the editor's note that follows 15 AAC 151.950, please add a new third paragraph (in addition to the existing paragraph, and the new paragraph requested in my revisor's memorandum regarding 15 AAC 151.950(d)), to read as follows:

Even though an amendment of the introductory language of 15 AAC 151.950(e) was adopted and took effect 1/9/2013, the amendment was not published until Register 213, April 2015.

SUBJECT: Correction to the Alaska
Administrative Code (AAC):
15 AAC 151.950(d)(13)

In accordance with the authority of the regulations attorney under AS 44.62.125(b), please forward to the publisher the correction to the Alaska Administrative Code (AAC) described below. I have forwarded this correction under a specific delegation dated May 2, 2014 from the regulations attorney. This revision corrects a manifest error in a reference to a law.

The regulation to be revised is 15 AAC 151.950(d)(13). The revision to that paragraph is as follows:

Change "AS 18.56.340" to "AS 18.56.230"

In addition, in the editor's note following 15 AAC 151.950, add a new paragraph at the end to read as follows:

In sec. 3, ch. 57, SLA 2013 the legislature enacted the statute originally numbered AS 18.56.340. When codifying the session law in the Alaska Statutes, and acting under AS 01.05.031, the revisor of statutes changed the section number to AS 18.56.230. As of Register 213 (April 2015), the regulations attorney made a conforming technical revision under AS 44.62.125(b)(6), to the definition of "commercial uses" in 15 AAC 151.950(d), so that the original cross-reference to AS 18.56.340 now refers to AS 18.56.230, the number assigned to the section upon codification.

SUBJECT: Corrections to the Alaska
Administrative Code (AAC):
15 AAC 150.240; 15 AAC
150.510

In accordance with the authority of the regulations attorney under AS 44.62.125(b), please forward to the publisher the corrections to the Alaska Administrative Code (AAC) described below. I have forwarded these corrections under a specific delegation dated May 2, 2014 from the regulations attorney. These revisions correct manifest errors in references to law in the authority citations that follow two sections of the Alaska Administrative Code.

The authority citations to be revised follow 15 AAC 150.240 and 15 AAC 150.510. The revisions to those authority citations are as follows:

In each authority citation, change "AS 18.56.008" to "AS 18.56.088"

In addition, in the editor's note following 15 AAC 150.240, add a new paragraph at the end to read as follows:

As of Register 213 (April 2015), the regulations attorney made a technical revision under AS 44.62.125(b)(6), to the authority citation that follows 15 AAC 150.240, so that the original citation to "AS 18.56.008" now refers correctly to AS 18.56.088.

In the editor's note following 15 AAC 150.510, add a new paragraph at the end to read as follows:

As of Register 213 (April 2015), the regulations attorney made a technical revision under AS 44.62.125(b)(6), to the authority citation that follows 15 AAC 150.510, so that the original citation to "AS 18.56.008" now refers correctly to AS 18.56.088.

These corrections are necessary because a statute numbered "AS 18.56.008" does not exist, and AS 18.56.088 is the section addressing the authority's general regulations-adoption authority. Thank you for your assistance, and please contact me if you have additional questions.
