Project: Repair Palmer Hangar Roof	Date & Hour of Quotes Due:	
Project No. : 35038-1	Revised: May 12, 2015 at 2:	00 PM Alaska time

NOTICE TO BIDDERS

Bidder must acknowledge receipt of this addendum prior to the hour and date set for the quotes being due by one of the following methods:

- (a) By acknowledging receipt of this addendum on the quote submitted.
- (b) By telegram or telefacsimile which includes a reference to the project and addendum number.

The bid documents require acknowledgment individually of all addenda to the drawings and/or specifications. This is a mandatory requirement and any quote received without acknowledgment of receipt of addenda may be classified as not being a responsive bid. If, by virtue of this addendum it is desired to modify a quote already submitted, such modification may be made by telegram or telefacsimile provided such a addendum it is desired to modify a quote already submitted, such modification may be made by telegram of telefacsimile makes reference to this addendum and is received prior to the opening hour and date specified above.

The following information is offered:

During the site visit, contractors questioned the use of asphalt shingles due to environmental conditions typically encountered at the Palmer Airport. Forestry was asked to consider a membrane roof in lieu of asphalt shingle.

After consultation with the designer, the bid documents will remain "as is" with asphalt shingle roofing as specified.

Bidders are required to acknowledge this addendum on the proposal form or by FAX prior to the quotes being due. *****

Addendum Number One (1) received.
