Re: Amendment 1
27-VSW-MOU-022
Lower Loop Drinking Water Distribution Improvements Design
RFP Due Date: November 25, 2026 @ 2:00 PM AST

The following are vendor questions and the department's response:

1. Vendor: in terms of general VSW procurement rules, is the firm that prepared the PER or provided similar planning/scoping services allowed to pursue design work for the same project?

   Department: Yes, the contractor that authored the Preliminary Engineering Report (PER) can submit a proposal that may be eligible for award. Contractor performance is not public information.
