FILING OF AMENDMENTS TO PETITION FOR INCORPORATION OF THE CITY OF TALKEETNA

Talkeetna voters have petitioned to amend the 1998 proposal to incorporate a home rule city. Amendments to the 1998 incorporation proposal include the following:

- Expansion of the area proposed for incorporation from 23 square miles to 24 square miles by adding Section 28, T26N, R4W, S.M.;
- Changes to the proposed City sales tax levy to allow determination by the voters at incorporation as to whether the city would impose a 2% year round sales tax or a 4% seasonal sales tax;
- Elimination of the proposed 15% city bed tax;
- Provision for city assumption of management of the water and sewer utilities in the Talkeetna core area;
- Provision for city assumption of management of solid waste disposal within 18 months of incorporation;
- Provision for city assumption of animal control services within 6 months of incorporation;
- Provision of city assumption of library services within 18 months of incorporation.

The petition, including the amendments, is available for public review at the Talkeetna Public Library on Tuesday, noon - 8:00 p.m.; Wednesdays through Fridays, 11:00 a.m. - 6:00 p.m.; and Saturdays, 10:00 a.m. - 5:00 p.m. The amended petition is also available for review at the following address in Anchorage.

RCA Notice of Utility Tariff Filing for OTZ LD TA8-511

Publish Date: 03/16/2000**Archive Date: 04/01/2000****Location: Statewide****Body of Notice:**

The REGULATORY COMMISSION OF ALASKA gives notice that OTZ TELECOMMUNICATIONS, INC. d/b/a OTZ Long Distance, Inc. (OTZ LD), has filed a tariff revision [<http://www.state.ak.us/rca/notices/2000/march/ta8-511.htm>] (TA8-511) to remove duplicate listings of a rate schedule. OTZ proposes to remove the rate schedule for calling card services from the Message Telephone Rates section of its tariff. The rate schedule for calling card services in the Calling Card Services section of the tariff will remain.

The Commission may approve a rate or classification which varies from that proposed. You may obtain more information about this filing from OTZ LD at P.O. Box 369, Kotzebue, Alaska 99752. You may inspect the filing at the Commission's offices at 1016 West Sixth Avenue, Suite 400, Anchorage, Alaska 99501.

To comment on this filing, please file your comments by March 31, 2000, and include a statement that you've filed a copy of the comments with OTZ LD. If you need a special accommodation to make your comments, please contact Barbara Miller at 263-2109/TTY: 276-4533 by March 24, 2000.

Notice of Environmental Evaluation
Totem Bight State Historical Park Scenic Wayside

NOTICE OF ENVIRONMENTAL EVALUATION
TOTEM BIGHT STATE HISTORICAL PARK SCENIC WAYSIDE
Project Number 67735

The Alaska Department of Transportation and Public Facilities (ADOT&PF) and the Alaska Department of Natural Resources, State Parks Division (DNR/SP) are proposing improvements to the Totem Bight State Historical Park. Tourism and local use of Totem Bight State Historical Park have increased dramatically since the existing parking lot was improved and the clan house was restored. During the summer, safe parking capacity is inadequate. Many visitors must now park and walk along the highway to visit the Park.

The project would construct additional parking off the highway with a pedestrian pathway to access the Park. Improvements for accessibility and a comprehensive interpretation program would also be constructed. Benches, displays, picnic tables, new restrooms and a totem storage shed would be added to the site.

DNR/SP and ADOT&PF will hold a joint public meeting on April 10, 2000 at 6:00 PM. This meeting will be held at the Ketchikan Public Utilities Administration Building conference room at 2930 Tongass Avenue, right after the Ketchikan State Parks Advisory Board meeting. DNR/SP will give a presentation on the proposed design and ADOT&PF will be accepting public comments.

ADOT&PF is currently evaluating the social, economic and environmental impacts of this project. To insure that all possible factors are considered, your comments are requested. If you would like to comment in writing, please address your comments to:

Mark Anderson
Project Environmental Coordinator
ADOT&PF

You can e-mail comments to mark_anderson@dot.state.ak.us. Your comments will also be forwarded to DNR/SP. Please provide comments by April 24, 2000. For further information call Mark Anderson, at 465-4524. Text phone (TTY-TDD) 465-4647

Prince Wm Sound Tanker Oil Discharge Prevention And Response
Contingency Pl

Publish Date: 03/22/2000

Archive Date: 04/22/2000

Location: Valdez

Body of Notice:

The following action to amend the Prince William Sound Tanker Oil Discharge Prevention and Response Contingency Plans is proposed in your area and is being reviewed for consistency with the Alaska Coastal Management Program. The amendment to the Oil Discharge Prevention and Contingency Plans is being reviewed by the Alaska Department of Environmental Conservation for consistency with the Alaska Coastal Management Program and for compliance with Alaska Statute 46.04.030 and 18 AAC 75. Your comments on the proposed amendment's consistency with the affected local coastal district management program are requested. To be considered, written comments must be submitted to the project reviewer at the address noted below. All comments must be received on or before the comment deadline described in this notice. Comments regarding inconsistency with an affected coastal district's enforceable policy or a state standard set out in 6 AAC 80.040 through 6 AAC 80.150 must identify the enforceable policy or standard and explain how the project is inconsistent.

Proposed Action: Amend five (5) approved Oil Discharge Prevention and Contingency Plans for the vessel operators in the Prince William Sound TAPS trade. The amendment provides for additional training programs that applicants have in place for fishing vessel response crews. This amendment was required as part of the 11/2/99 approval of these Oil Discharge Prevention and Contingency Plans (condition #6).

Potential Results: Not providing this additional training program could limit response to an oil discharge.

Environmental Conservation: Public Notices
Williams Alaska Petroleum Anchorage Terminal

Publish Date: 03/22/2000**Archive Date: 04/22/2000****Location: Anchorage****Body of Notice:**

The Alaska Department of Environmental Conservation (ADEC) proposes to issue an Air Quality Control Operating Permit for emission sources at Williams Alaska Petroleum - Port of Anchorage Terminal, under Alaska Statutes 46.14 and regulation 18 AAC 50.

Applicant: WILLIAMS ALASKA PETROLEUM, INC.

Location: The facility is physically located at 1076 Ocean Dock Road in Anchorage, Alaska

Activity: The facility consists of 34 storage tanks, 2 rail car loading racks, 2 tank truck loading racks, 2 asphalt plant heaters rated at 5 MMBtu/hr each, 1 boiler rated at 8.4 MMBtu/hr, 2 emergency diesel generators rated at 68 and 35 horsepower, 1 fire-water pump rated at 115 horsepower, and miscellaneous fugitive dust sources.

On December 5, 1997, Williams Alaska Petroleum submitted an operating permit application for the Port of Anchorage Terminal as required by 18 AAC 50, effective January 18, 1997. Williams Alaska Petroleum submitted additional information on March 6, 1998.

Emissions: The significant air contaminant emission sources are the several storage tanks and loading rack operations. The potential annual emissions of regulated air contaminants at the facility will not exceed: 3 tons of Particulate Matter (PM-10), 37 tons of Nitrogen Oxides (NOx), 2 tons of Sulfur Dioxide (SO₂), 10 tons of Carbon Monoxide (CO), and 45 tons of Volatile Organic Compounds (VOCs).

Department Preliminary Review: Based on review of Williams Alaska Petroleum's Operating Permit application, ADEC concurs that the Port of Anchorage Terminal will comply with emission standards listed in 18 AAC 50.040-090. As proposed, allowable emissions will not cause any violations of the ambient air quality standards and increments. The Department has drafted a Statement of Basis including a preliminary permit decision to issue an operating permit for the Port of Anchorage Terminal.

Available Information: Copies of ADEC's draft Operating Permit and preliminary Statement of Basis are available at the following offices:

ADEC/APP 610 University Avenue, Fairbanks, AK 99709-3643 (907) 451-2132

ADEC/APP 410 Willoughby, Suite 105, Juneau, AK 99801-1795 (907) 465-5100

ADEC/APP 555 Cordova Street, Anchorage, AK 99501-2617 (907) 269-7577

Copies of the Williams Alaska Petroleum Operating Permit application are also available at the Anchorage office.

The draft Operating permit and statement of basis are also available at the Department's website at: <http://www.state.ak.us/dec/dawq/aqm/mainair.htm>.

Opportunity for Public Participation: Notice is also given that any interested person may present written statements relevant to the draft Operating Permit and Statement of Basis for the Port of Anchorage Terminal 30 days after the first publication date. Any person may request a public hearing and that hearing will be held if the Department finds that good cause exists. The Department will consider all comments received and make any changes the Department finds beneficial or necessary to assure compliance with 18 AAC 50 or State Law. The final decision to issue or deny the permit will be made after the close of the public comment period. Written comments will be included in the record if received before 5:00 pm April 19, 2000. ADEC complies with Title II of the Americans with Disabilities Act of

1990 and the Rehabilitation Act of 1973. Individuals with disabilities who may need auxiliary aids or services, or special modifications to participate in this public process should contact Ms. Rikki Swetzof at (907) 269-7577 or through the text telephone at (907) 269-7511 (TTY) by 5:00 pm April 19, 2000.

Please direct written statements or requests relevant to the proposed operating permit to Mr. Bill MacClarence, Supervisor Air Permits, ADEC at 555 Cordova Street, Anchorage, AK 99501.

Assistance to Community Health Facilities: The overall goal of this program is to partially subsidize operational deficits of rural health clinics staffed by mid-level practitioners in order to increase the availability of health care in rural areas. The level of financial support is determined on the basis of population, demonstrated health needs, the financial need of the applicant, the possibility of increasing financial self-support, and the feasibility of the proposed program. Grantees are required to conform to and meet the program guidelines and standards detailed in the Assistance to Community Health Facilities Program regulations, 7 AAC 13.010 - 7 AAC 13.900 and to the general departmental grant regulations. Application due date is 4:30 p.m., April 19, 2000. Contact person: Patricia Carr, Unit Manager. Phone Number: (907) 465-3091.

Community-Based Health Promotion. These grants support the establishment and enhancement of partnerships between the State of Alaska Health Promotion Program and local and regional agencies to assist the State of Alaska in meeting key Healthy People 2000 Risk Reduction Objectives. Grants are available through this RFP for two categories of one-year grants: capacity building, skills building and training grants; and health promotion and disease prevention intervention grants. Organizations that intend to apply for these grants must complete and return a "Notice of Intent to Apply" form, Appendix H by 4:30 p.m., April 7, 2000. Application due date: 4:30 p.m., April 17, 2000. Contact person: Jayne E. Andreen, Health Promotion Manager. Phone Number: (907) 465-5729.

ADL 51684

The Division of Mining, Land and Water proposes to convey to the City of Valdez 620 acres, more or less, of tide and submerged land in Port Valdez generally situated between the Alyeska Pipeline Terminal and the mouth of Lowe River. Pursuant AS 38.05.820 the City of Valdez, being a home rule city incorporated in 1901, is entitled to a conveyance of tide and submerged lands that are occupied or suitable for occupation and development. Home rule cities may sell or lease tidelands conveyed to them under AS 38.05.820.

The public is invited to comment on the decision to transfer ownership of State lands to the City of Valdez. A copy of the Preliminary Finding and Decision document is available from the Division of Mining, Land and Water, Resource Assessment and Development Section (RADS), Attention: Mike Mitchell, 550 W 7th Avenue, Ste 1050, Anchorage, AK 99501-3579. Comments should reference ADL 51684. Comments must be received in writing by the Division of Mining, Land and Water at the above address on or before 5:00 p.m., April 21, 2000, to ensure consideration. Only persons who comment during the public comment period will be eligible to file an administrative appeal of the final finding and decision. If you have any questions concerning this proposed action, please contact Mike Mitchell at (907) 269-8531 or e-mail: mikemi@dnr.state.ak.us.

Following the comment deadline, all written responses will be considered and this decision may be modified to incorporate public comments. If no significant changes are required, the preliminary finding and decision including any minor changes will be issued as the final finding and decision of the Department of Natural Resources on or about May 3, 2000, without further notice. The final decision will set out the applicable processes for appealing the decision under AS 38.05.035(i)-(j). A copy of the final decision will be sent to any person who comments on the preliminary decision.

The Department of Natural Resources is prepared to accommodate individuals with disabilities by providing auxiliary aids or services when requested. Individuals with audio impairments who wish to respond to this decision by telephone may call the department's Public Information Center in Anchorage between the hours of 11:00 a.m. and 5:00 p.m., M-F, at TDD# 269-8411.

Body of Notice:

In accordance with AS 38.05.075 (c) and 11 AAC 62, the Division of Mining, Land and Water has made a preliminary written decision under AS 38.05.035 (e) to grant EMEFCO, Clover Pass Resort, a twenty-five (25) year negotiated tideland lease for about 0.9 acres of state owned tide and submerged land.

The proposed lease area is located within section 12, Township 74 South, Range 89 East, Copper River Meridian adjacent to ATS 419 in clover Pass, along Revillagigedo Island, about 16 miles north of Ketchikan, Alaska. The purpose is to authorize existing pilings and a commercial dock facility for the applicant's upland lodge. The improvements within the lease area have already been determined to be consistent with the standards of the Alaska Coastal Management Program.

The public is invited to comment on the preliminary decision to lease this parcel of tide and submerged land. Copies of the preliminary decision are available from the Division of Mining, Land and Water's Juneau office at 400 Willoughby Avenue, Suite 400, Juneau, Alaska 99801 (907-465-3400). Any comments on the preliminary decision must be received in writing by the Division of Mining, Land and Water at the above address by 5:00pm on April 17, 2000 in order to ensure consideration (please include mailing address and a telephone contact). The document sets out the schedule for the final decision as well as the appeal process. To be eligible to appeal the final decision, a person must respond in writing during the comment period for the preliminary decision. If you have any questions please contact Judith Hauck at (907) 465-3400.

If public comment in response to this notice indicates the need for significant changes in the decision, additional public notice will be given on or about May 5, 2000. If no significant change is required, the preliminary decision, including any minor changes, will be issued as the final decision. A copy of the final decision will be sent to any person who submits written comments on the preliminary decision.

Body of Notice:

Division of Governmental Coordination
Alaska Coastal Policy Council

The Coastal Policy Council Order of Approval for the revised City of St. Paul Coastal Management Plan was filed by the Lieutenant Governor on March 15, 2000, so the plan will take effect on April 14, 2000. As of that date, review of projects within the City of St. Paul for consistency with the Alaska Coastal Management Program will be based on the revised City of St. Paul Coastal Management Plan and the standards of the Alaska Coastal Management Program.

This revised plan has received state, federal, and local approval. The Alaska Coastal Policy Council approved the plan revision on November 10, 1999. As provided in federal regulation, the plan revision is incorporated into the Alaska Coastal Management Program with the concurrence of the federal Office of Ocean and Coastal Resource Management, National Oceanic and Atmospheric Administration, U.S. Department of Commerce. Notice of federal review was given on January 10, 2000. The Office of Ocean and Coastal Resource Management approved the plan revision as a routine program change to the Alaska Coastal Management Program on February 4, 2000. The City of St. Paul adopted the plan by ordinance on March 8, 2000.

The State of Alaska, Division of Governmental Coordination, complies with Title II of the Americans with Disabilities Act of 1990. For further information or to order a copy of the revised plan, contact Julie Hammonds Penn, District Program Coordinator, at the Division of Governmental Coordination, P.O. ADOT&PF has programmed a proposal to upgrade and rehabilitate Ted Stevens Way in Kotzebue, Alaska. The proposed project includes upgrading Bison Street, Fifth Avenue and Ted Stevens Way from Third Avenue to Devils Lake. Upgrading will include raising the roadbed and widening the road where it is most needed. Drainage and minor erosion protection through the tidal area also considerations for the proposed project. Accommodating bicycle and pedestrian traffic between town and the new Hillside Road will be addressed.

The primary issue along Ted Stevens Way is the flooding through the tidal area, which causes the road to be unusable during times of high water. The low profile of the road through this area also increases the amount of snow drifting in the winter months, which also contributes to road closures. The estuary that Ted Stevens Way crosses is a primary environmental issue. Wetlands, waterfowl, habitat values, and marine wildlife are all-important factors that must be considered.

Stop by the Open House on March 28, 2000 at the Kotzebue Armory between the hours of 4:00 p.m. and 6:00 p.m. Please come in anytime between these hours to discuss this proposal with project staff.

While various resource agencies will have input into the proposed project, the residents of Kotzebue need to be heard. We want and value your participation to this proposal. You have the chance to help develop your town as you want and need! Please attend. We look forward to seeing you.

The Alaska Department of Transportation and Public Facilities (ADOT&PF) is holding a Public Workshop on March 28, 2000 at the Kotzebue Armory to discuss Project # HP-0002(109)/60788, Kotzebue Area Roads: Shore Ave.

ADOT&PF is proposing to upgrade and improve Shore Avenue (between Lake Street and Crowley Dock) in Kotzebue, Alaska. This proposal is to upgrade the narrow street and add shore protection to the beach. The scope of the proposed project also includes amenities for non-motorized users. At this time, the department is just beginning to study the project. While we have a broad mandate to provide road improvements, beach protection and corridor amenities; they are not defined.

This is your opportunity to help decide how the completed project will look. We at the department want to design a road project that you want, will be proud of, and will use to its fullest. You can help in defining how this road will look in the future.

Please come to the Public Workshop on March 28, 2000 at the Armory. The workshop will begin at 6:00 p.m. where we will "brain-storm" ideas for the proposed project. Come and make a difference in your town.

Transportation & Public Facilities: Public Notices
STP-0863 (6)/60751, Dayville Road Improvements

Publish Date: 03/22/2000**Archive Date: 04/13/2000****Location: Valdez****Body of Notice:**

The Alaska Department of Transportation and Public Facilities (ADOT&PF) is holding an Open House on April 12, 2000 at the Valdez Convention & Civic Center to discuss Project # STP-0863 (6)/60751, Dayville Road Improvements.

ADOT&PF is beginning work on a proposed project to improve Dayville Road in Valdez, Alaska. Dayville Road begins at milepost 2.9 of the Richardson Highway and terminates at the Alyeska Pipeline Marine Terminal. The road corridor is approximately 5.3 miles long. Dayville Road was originally built during the construction of the Trans-Alaskan Pipeline to provide road access to the newly constructed terminal facilities.

This proposal will improve the existing roadway facility by addressing issues concerning the road's surface conditions; safety factors including width and alignment; maintenance issues (icing and snow drifting); and increasing the overall safety of all users of the road. The proposed project will also look at provision for pedestrians and bicyclists.

The road crosses the Lowe River, Abercrombie Creek and Solomon Gulch Creek. Past the last stream crossing, the road parallels Valdez Arm of Prince William Sound. In places where there is no shoreline, armor rock and riprap protect the embankment. At the end of the road, the City of Valdez operates a wayside for fishing and camping.

An Open House is scheduled for April 12, 2000 from 4:00 p.m. - 7:00 p.m. at the Valdez Convention & Civic Center, conference room.

The intent of the Open House is to introduce the proposed project and to hear ideas for how the finished road should look. If you have concerns regarding this proposal, now is the time for us to learn about them so that they may be thoroughly addressed. Please plan on stopping in at the Open House.
