ITB 24-VSW-KCC-018
Coffman Cove Water Plant Upgrade Project
ITB Due Date: May 3rd, 2024 @ 2:00 PM AST

The following are vendor questions and the department's response:

1. Vendor: In the specifications, Section 019100 Commissioning, paragraph 1.1.A notes the Owner will provide the Commissioning Authority. Has the CxA been selected, or will the state be looking for providers? We would be interested in working with the state on the project.

Department: A commissioning authority has not been selected. The department is planning to conduct a separate procurement for this work at a later date.
